

artfocus07

Shetland *arts*

Thank you for taking part in **artfocus07**, whether you are in a group, or responding by email and online form. Shetland Arts is a new agency and intend that the results of **artfocus07** will help shape future policy directions.

Background information can be found in Shetland Arts Quick Facts, Scottish Arts Council Corporate Plan, Shetland Cultural Strategy and Shetland Charitable Trust Corporate Plan. These are all available from our website. Shetland Arts is a Scottish Arts Council Foundation funded organisation and is revenue funded by Shetland Charitable Trust. Shetland Arts is a registered charity.

Shetland Arts is using three Scottish Arts Council Corporate Plan priorities as the structure of the focus groups. If you are filling out this form online, it will feature identical priorities to the focus groups, and vice versa. It is hoped that information from both methods will help assign priorities for Shetland Arts' own corporate plan, which will be published in October 2007. **artfocus07**, however, will continue until the end of the year, and will be renewed in 2008. It is anticipated this will become an annual process.

How well do you think Shetland Arts supports artists and how can we increase the range and quality of our support?

Do you feel Shetland Arts creates a wide range of opportunities for participation in the arts and how can opportunities for participation in the arts be widened?

Do you think Shetland Arts works effectively and co-operatively to build a creative community and how can the organisation develop its work in this area?

Thank you for taking part in **artfocus07!** Please email completed forms to artfocus07@shetlandarts.org or post to artfocus, Shetland Arts, Toll Clock Centre, Lerwick, ZE1 0DE. Telephone: 01595 743843
