SHREK FOREVER AFTER (U)

The Scottish swamp-dweller is back for his fourth adventure. This time he makes an ill-advised pact with Rumpelstiltskin and finds himself banished to a Shrek-less version of the land of Far Far Away where Rumpelstiltskin is king, ogres are hunted, and he and Fiona have never met! The unfortunate ogre must once again win the love of Princess Fiona if he's to ever get back home.

LETTERS TO JULIET (PG)

Soon-to-be-married American tourist Sophie (Mamma Mia's Amanda Seyfried) finds a fifty-year-old letter at the spot where the troubled-in-love seek advice from Shakespeare's Juliet. Compelled to reply, Sophie is delighted when the note's author (Vanessa Redgrave) arrives from England to find her long-lost Italian love. Unfortunately, she's escorted by her unromantic grandson (Christopher Egan).

THE TWILIGHT SAGA: ECLIPSE (12A)

Bella once again finds herself surrounded by danger as Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob -- knowing that her decision has the potential to ignite the struggle between vampire and werewolf.

GET HIM TO THE GREEK (15)

Russell Brand returns as sex-mad, drugged-up rock'n'roller Aldous Snow in this raucous spin-off from the comedy Forgetting Sarah Marshall. Jonah Hill is the record company lackey despatched by his ill-tempered boss (Sean 'P Diddy' Combs) to escort Aldous from London to LA's Greek Theatre in time for a comeback concert. But the

wildest man in pop didn't get where he is today by doing as he's told.
